

# GRENDA FACT SHEET

Vol. 5 No. 2

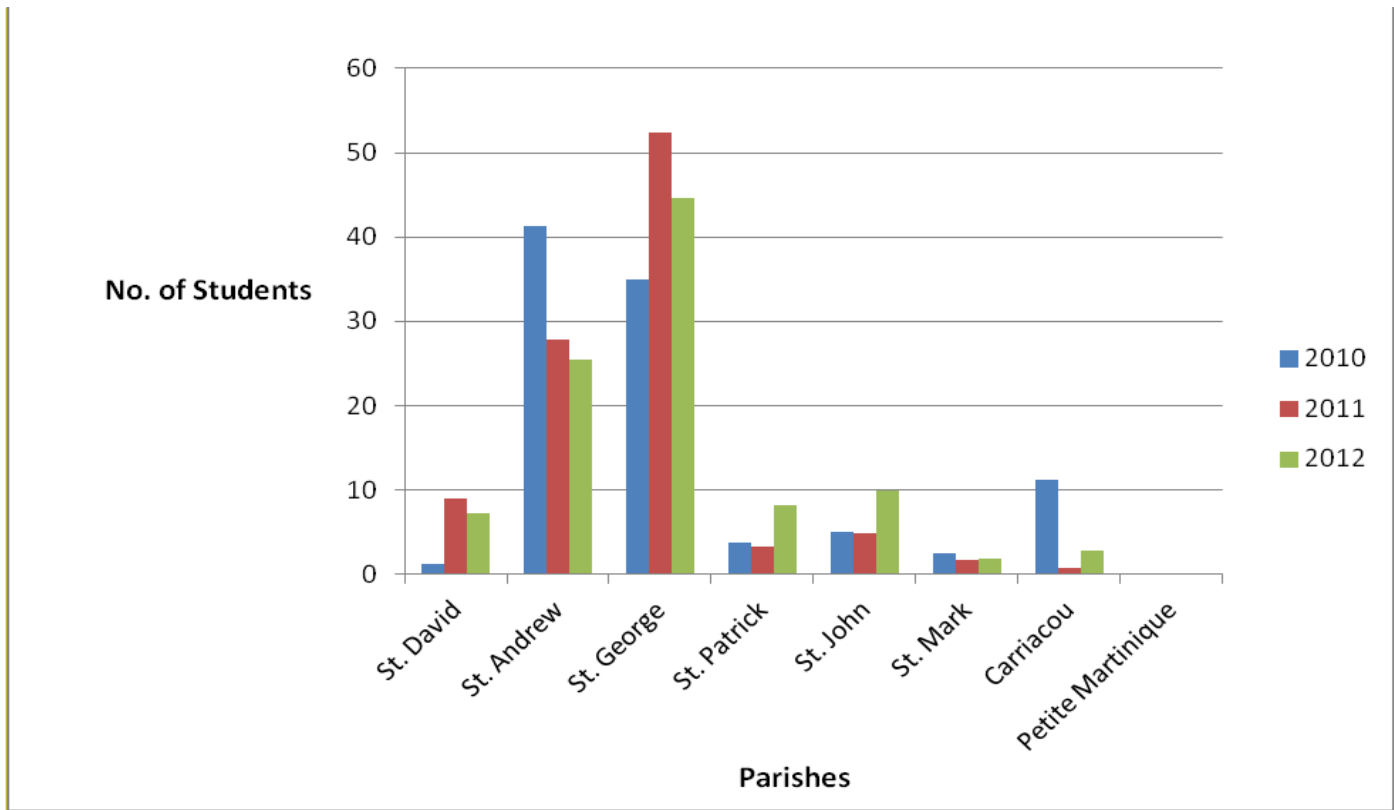

June 2013

Statistics from the Royal Grenada Police Force (RGPF) indicate that three hundred and thirteen (313) students in Grenada, comprising of 298 males and 16 females, were arrested and charged for various offences during the period 2010 - 2012.

The figures reveal that the majority of students were arrested and charged for offences relating to stealing and violent activities. The following chart shows the parishes where the students resided, when they were arrested.
