

VACANCY

GOVERNMENT OF GRENADA Ministry of Finance, Planning, Economy Energy & Cooperatives

Technical Coordinator

The Government of Grenada (GOG) has received funding from the International Fund for Agricultural Development (IFAD) and the Caribbean Development Bank (CDB) to embark on a six (6) year (2018-2024) programme; the "**Climate Smart Agriculture and Rural Enterprise Programme (SAEP)**" and intends to apply a portion of the proceeds to eligible payments for which this invitation is issued.

The primary goal of the programme is to contribute to the reduction of poverty and vulnerability of men and women in rural communities in the tri-island state of Grenada.

The Ministry of Finance acting on behalf of the GOG now invites suitably qualified persons (National or Regional: Male or Female) to fill the position of **Technical Coordinator, Government of Grenada/Climate-Smart Agriculture and Rural Enterprise Programme (SAEP)**.

Main objective/Role of Coordinator

The Technical Coordinator (TC) will be responsible for the efficient and effective delivery of support services to beneficiaries, coordinating activities of Rural Service Providers (RSPs) and supervising service providers contracted under the Programme.

Qualifications and experience required:

Candidates should possess the following:-

- A Masters Degree in Agriculture or related to business and rural development (Business, Economics, Social Sciences or a related field).
- At least 3 years of hands-on experience with developing, negotiating and managing contracts for consultancies and technical services.
- Successful working experience in similar projects and experience with IFAD, WB or CDB financed projects.
- A solid understanding of rural development, business development, marketing and entrepreneurship.
- A solid understanding of Climate Change issues and Climate Smart Agricultural practices.
- Work experience in rural areas (particularly rural organizations and groups)
- Experience with the implementation of rural development or environmental projects financed by external donors at a technical management position.
- Knowledge of institutions linked to business and agricultural development; their responsibilities, approaches and practices.

- Leadership skills and ability to operate effectively in a team and contributing positively to working relationships.
- Willingness to make on-site visits to beneficiaries and service providers on regular basis.
- Proven knowledge of gender equality aspects of agricultural and rural development and experience and/or disposed to work with vulnerable youth is essential.
